## Welcome and Register Screens

### Welcome Screen

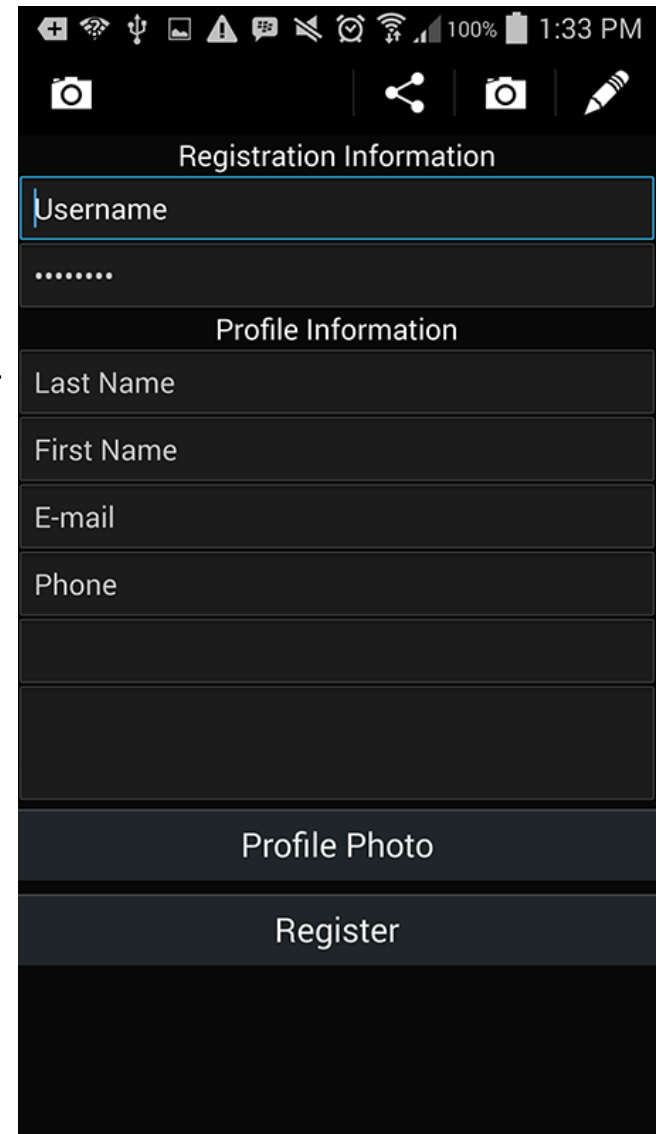

From the Welcome Screen user can Register or Login

### Registration Screen

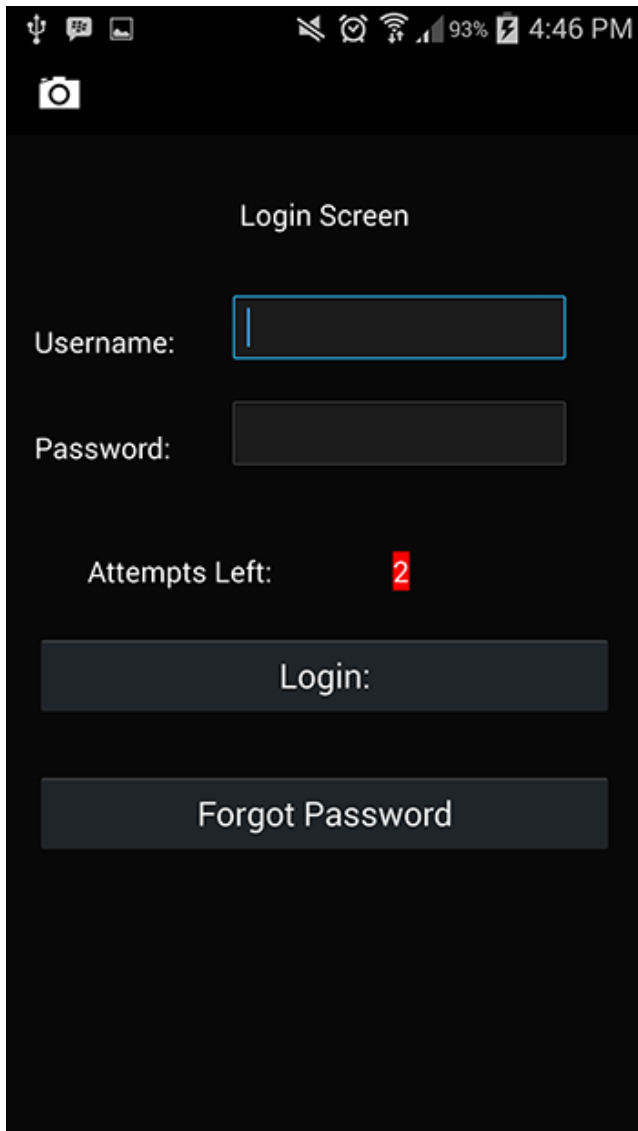

The user can register from the Registration View – and also chose a profile photo

The Design Principles:

- VISIBILITY – keeping it clearly visibly where to login or register
- CONTRAST
- AFFORDANCES – can see which buttons to press
- CONSISTENCY

## Login Attempts/ Reset Password

The image shows a mobile app login screen with a dark theme. At the top, there's a status bar with icons for USB, messages, camera, alarm, Wi-Fi, and battery at 93% with the time 4:46 PM. Below the status bar is a camera icon. The main title 'Login Screen' is centered. There are two input fields: 'Username:' with a blue border and 'Password:' with a grey border. Below these is 'Attempts Left:' with a red square containing the number '2'. At the bottom are two buttons: 'Login:' and 'Forgot Password'.

Login Screen

Username:

Password:

Attempts Left: 2

Login:

Forgot Password

### Login Screen

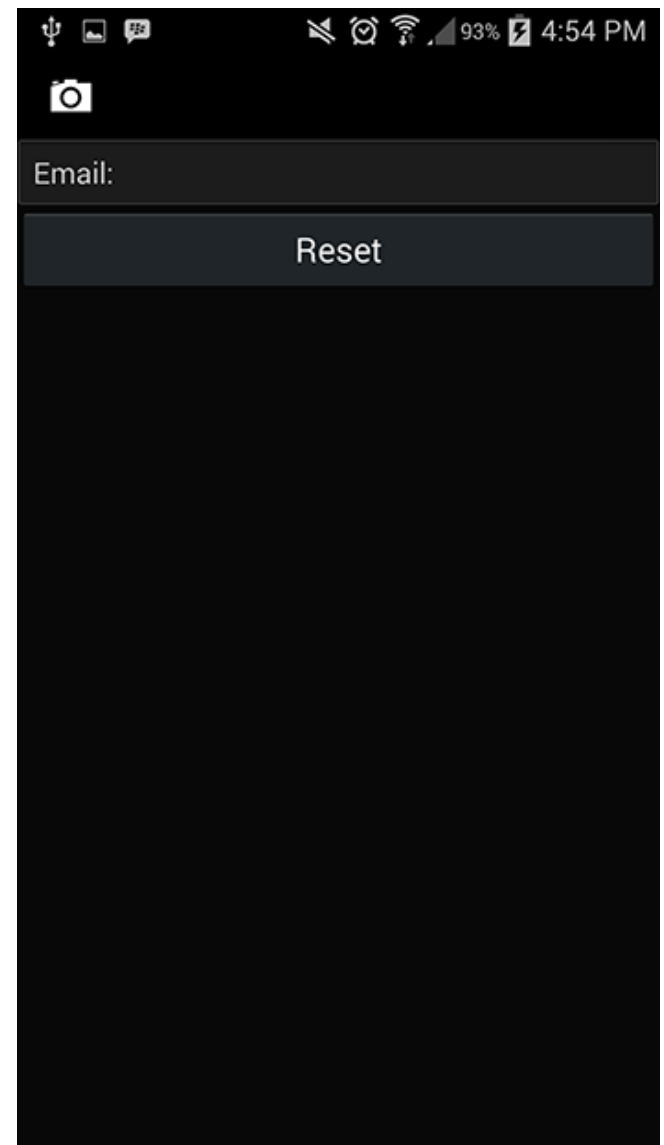

If the user attempted to login from the welcome screen and failed – he is taken to the login screen to try again 3 times

### Forgot Password

If the user forgot the password used, he can opt to click on Forgot Password and be taken to the Reset Password Screen

USE CASES:

- LOGIN
- FORGOT PASSWORD

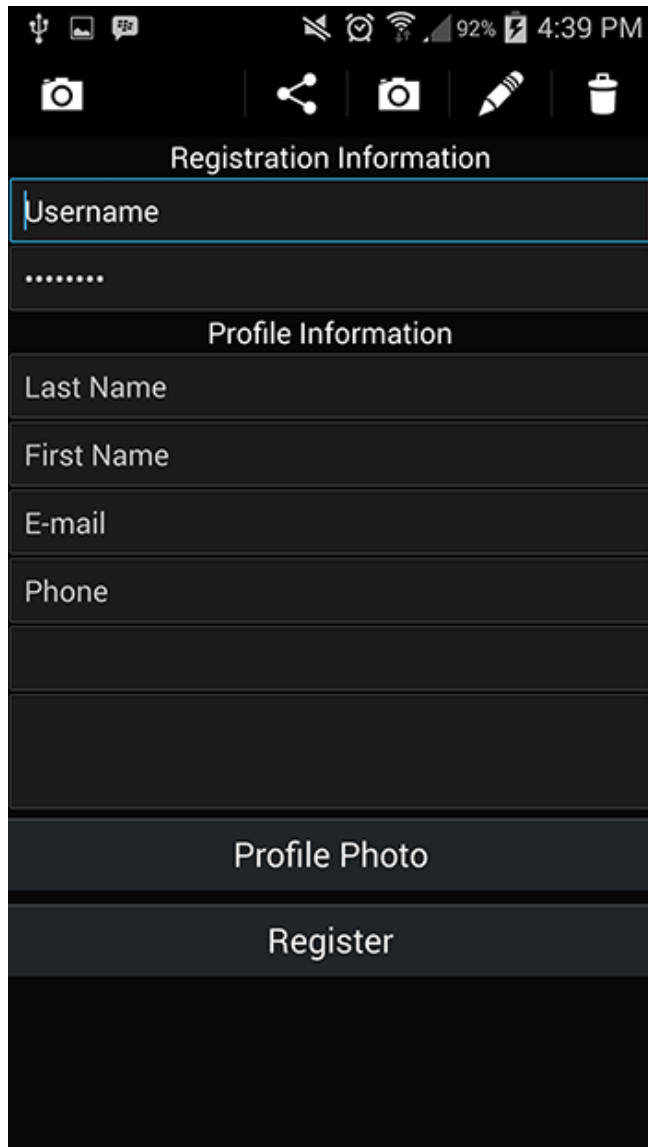

The image shows a mobile app reset password screen with a dark theme. At the top, there's a status bar with icons for USB, messages, camera, alarm, Wi-Fi, and battery at 93% with the time 4:54 PM. Below the status bar is a camera icon. The main title 'Email:' is centered. Below it is a large button labeled 'Reset'.

Email:

Reset

## VIEW / EDIT Profile

The Registration Screen is a dark-themed mobile app interface. At the top, there's a status bar with icons for USB, camera, messages, and battery level (92%) at 4:39 PM. Below the status bar is a navigation bar with icons for camera, share, camera, edit, and delete. The main content area is divided into sections: 'Registration Information' with a 'Username' field and a password field (indicated by dots), 'Profile Information' with fields for 'Last Name', 'First Name', 'E-mail', and 'Phone', 'Profile Photo' (indicated by a camera icon), and a 'Register' button at the bottom.

### Registration Screen

User can fill out all the fields in order to register.

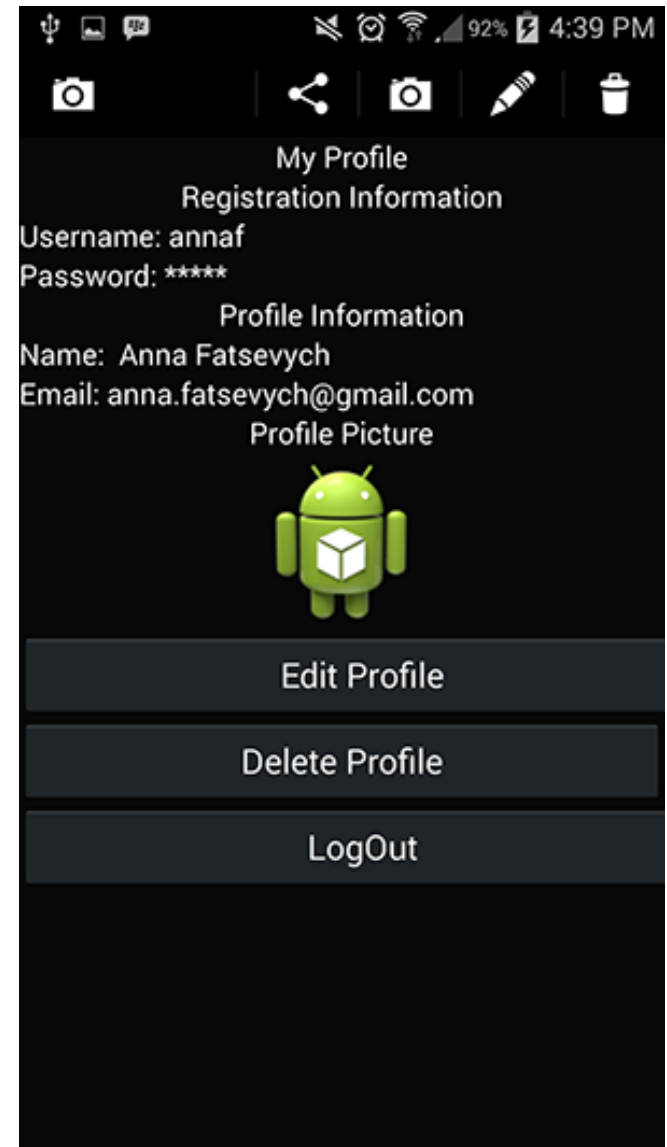

The app will validate the input, and the user can chose a profile photo, and click Register.

### My Profile

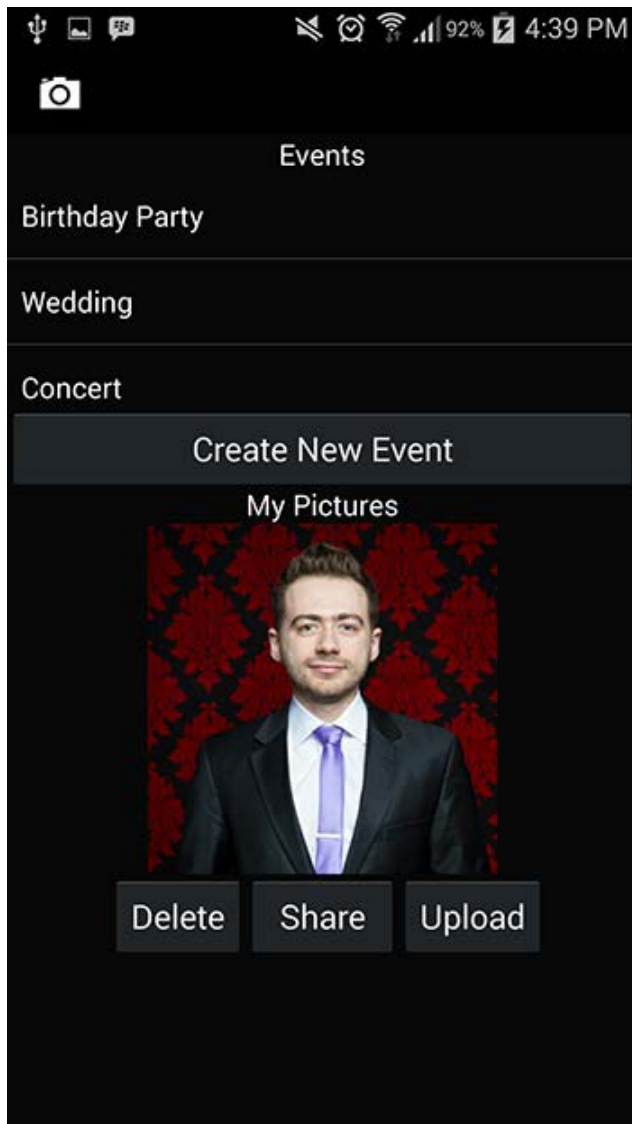

After registering went ok, the user is transferred to My Profile page where they can view their profile, as well as Edit their information or Delete it.

#### USE CASES USED:

- CREATE PROFILE
- EDIT PROFILE
- DELETE PROFILE
- UPLOAD PHOTO
- LOGOUT

The My Profile Screen is a dark-themed mobile app interface. At the top, there's a status bar with icons for USB, camera, messages, and battery level (92%) at 4:39 PM. Below the status bar is a navigation bar with icons for camera, share, camera, edit, and delete. The main content area is divided into sections: 'My Profile' with 'Registration Information' (Username: annaf, Password: \*\*\*\*\*) and 'Profile Information' (Name: Anna Fatsevych, Email: anna.fatsevych@gmail.com), 'Profile Picture' (indicated by a camera icon), and three buttons at the bottom: 'Edit Profile', 'Delete Profile', and 'LogOut'.

## HOME Screen

### View All Events

User can see the list of his/hers events (scrollable) that they are attending.

### View Photos

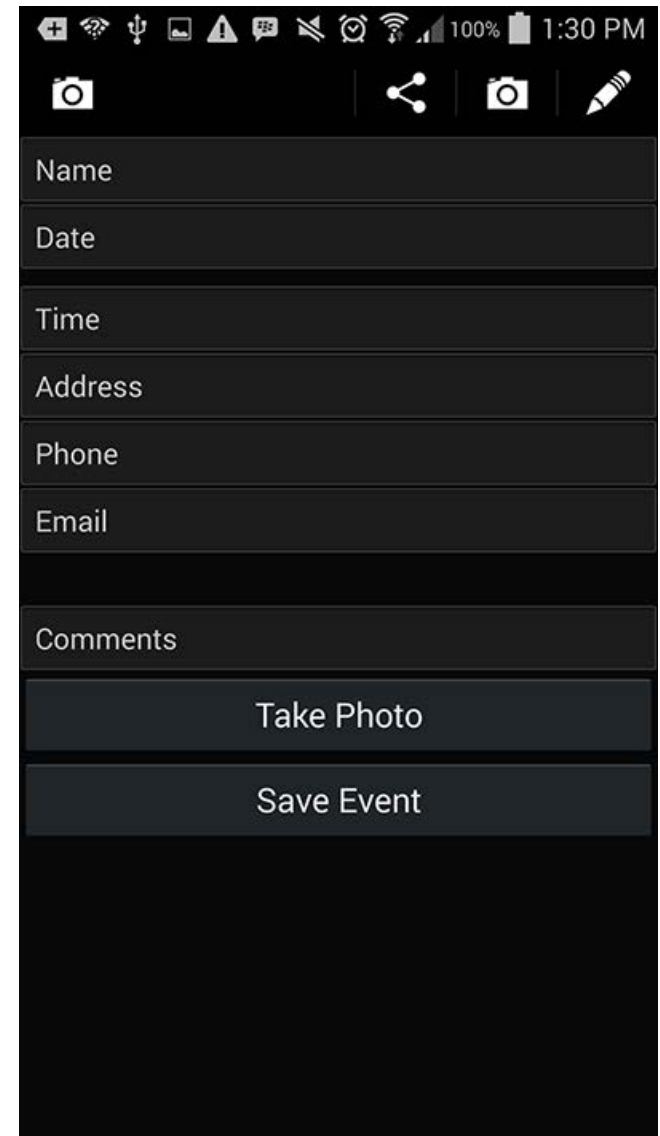

User can view all of the photos and choose to delete, share or upload a new photo. If they have no events yet the Create Event will be displayed

### Create Event

User may want to create a new event by clicking the Create Event Button.

#### USE CASES:

- VIEW EVENTS/EVENT
- VIEW/DELETE/SHARE/UPLOAD PHOTO
- CREATE EVENT
- EDIT EVENT (Action Bar)
- TAKE PHOTO

## EVENT Screen

### View Event

User can view all the details of a particular event along with a scrollable (and clickable) list of all attendees that have confirmed.

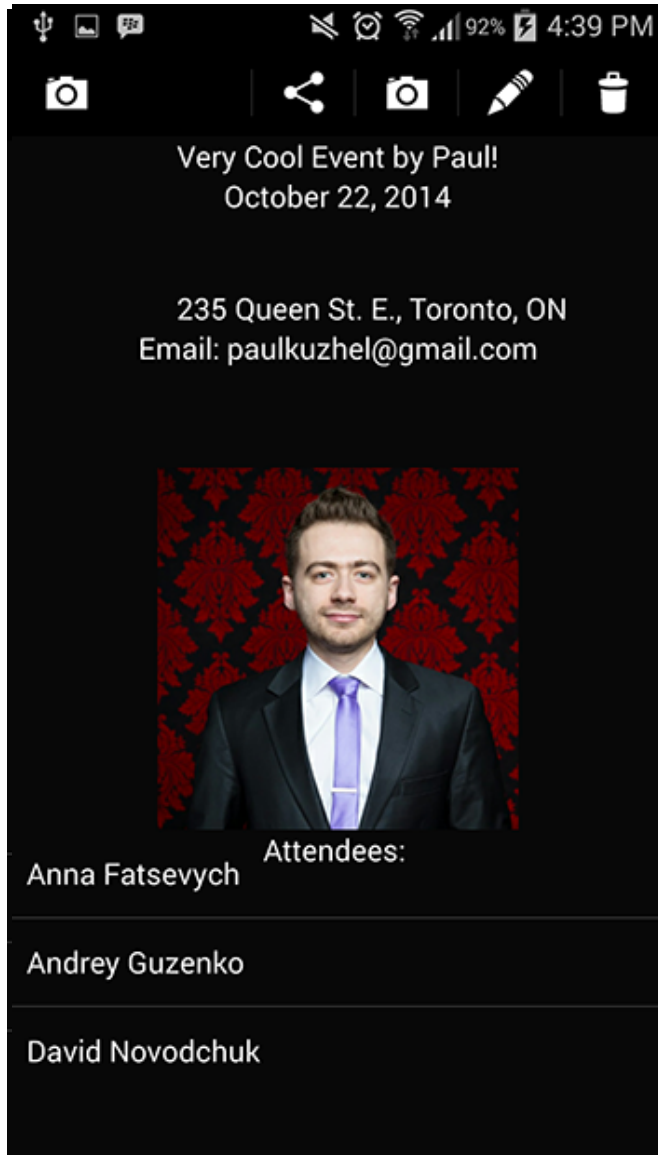

User will also be able to see all the photos posted by the attendees.

### Edit/Delete Event

User can edit an event that they have created at any time on the event screen by clicking the Edit Action Bar Icon.

### USE CASES:

- VIEW EVENT DETAILS
- EDIT EVENT
- SHARE EVENT
- DELETE EVENT

Save Event

## DELETE

### DELETE Event

Users may Delete Event at any time using the Delete Action Bar Icon

### DELETE Profile

Users may delete their Profile the same way. The delete icon will apply to the item in which view the user is in.

### DELETE Photo

All photos that were in a Deleted Event will be deleted. To Delete a single photo, the user has to be in the view event.

ALL DELETE WILL PROMPT THE USER TO CONFIRM.

### USE CASES:

- DELETE PROFILE
- DELETE EVENT
